Hi Jim.

It looks like we may be going to trial on the 12th or 13th. Do those days work for you?

Happy New Year Marianne,

I have cases tentatively scheduled for 1/11, 1/12, 1/18, 1/25, 1/26 and 1/31. But the real problem is I have jury duty in the Federal Court in Springfield from 1/3 to 2/25. I call in every Friday to see if I am needed, so I won't be able to let you know until Monday mornings.

Jim

Happy New Year Jim.

This was the case we spoke about in November relative to a substitute chemist and destroyed drugs. You indicated you would be able to testify for me. This case is once again on the trial calendar. What is your availability over the next few weeks? Thinking next week or the week after?

Thanks,
Marianne
